

ROE Visual Announces Appointment Of New International Marketing Manager

SHENZHEN, China, June 4, 2018 /PRNewswire/ -- On the heels of expansion to its European-based team, global LED solution provider ROE Visual today announced the appointment of Milena Rimassa as International Marketing Manager. She is the fifth in a series of appointments by Tony Van Moorleghem since he assumed global marketing leadership as Product Marketing Director earlier this year.

"ROE Visual has extremely ambition expansion plans that require a highly-skilled team with multi-disciplinary marketing and product management skills to reach our goals. Milena comes to us with a wealth of knowledge of entertainment publicity, digital and traditional marketing strategy and a solid knowledge of the touring industry," said Van Moorleghem, "She is a natural compliment to the company's strong marketing teams in China and The Netherlands," he added.

Rimassa was recently Marketing Manager for Sweden-based ETAC AB where she spearheaded marketing for the company's pediatric brands, Convaid and R82, that enjoyed double digit growth during her tenure and direct-to-consumer sales saw exponential growth resulting from Rimassa's digital strategy. Previously, Rimassa worked as a media strategist for Advance Internet where her efforts led to a 40% increase in viewership for a flagship digital news organization.

Early in her career, Rimassa served as the Financial Editor of The Hollywood Reporter and frequent contributor to Billboard Magazine after which she enjoyed 15 years as Vice President, Marketing & Distribution for two independent film companies.

Other Key ROE Visual Appointments

Other [recent appointments made by Van Moorleghem](#) include Dries Vermeulen, a Project Manager, who will present information on the company's much-anticipated Infocomm 2018 launch of its show centerpiece, the [Sapphire, a high-resolution 1.5mm pixel pitch LED solution](#). The Sapphire product launch will take place during a press conference to be held on June 6, 2018 at 3PM in Booth N2014 where Vermeulen will be joined Global Sales Director Grace Hu to provide information on this paradigm-shifting LED technology.

Additional staff additions include Claude Ostyn, who has spent the bulk of his career designing, developing and managing products for the entertainment industry with a special focus on LED display technologies; and, Netherlands-based Marina Prak, Marketing Manager, with more than 30-years of experience in developing and implementing marketing and sales strategies, customer support, public relations, organizing events and full-product cycle marketing.
