WORKSHOP

What: "Optimizing AV Management in Workplaces & How Device Charging is Changing Customer Experience

Where: Orange County Convention Center W303A

When: Thursday, June 13, 3:00-4:30 pm.

Who: Jon Roepke, director of product management, Belkin International and Dan Bladen, CEO, Chargifi

Attendees will learn about the changing landscape of device charging in various sectors including workplaces, hospitality, food and beverage and how these businesses can address the growing demand for convenient charging that benefit both the consumer and business itself. Attendees will also learn how the Belkin and Chargifi solutions have reduced IT time spent on AV management in offices, classrooms and auditoriums.

Register for the workshop here:
