

## Comprehensive Introduces New 4K Certified 18G Commercial HDMI Cables for Systems Integration Up to 50ft

6/13/2017 -- Fairfield, NJ - [Comprehensive Connectivity Company](#), the **tested and trusted** connectivity solutions manufacturer to the Pro AV/IT markets for more than 40 years, launches their new [Pro AV/IT HD18G series of 4K 18G HDMI Cables \(HD18G-xxPROBLK\)](#) for System Integration and other demanding commercial environments.

Comprehensive's Pro AV/IT Certified 18Gbps 4K (End to End) HDMI cables are unlike any other cable on the market today as they were created specifically for the demanding needs of systems integration and commercial applications. HD18G series cables feature heavy duty, all commercial construction, Comprehensive's exclusive ProGrip® connector, and SureLength® indicators right on the connector head.

Comprehensive Pro AV/IT Certified 18Gbps 4K (End to End) HDMI cables are HDMI ATC certified and come equipped with all the latest HDMI features including Ultra HD 4K@60Hz 4:4:4 chroma sampling, transmission of High Dynamic Range (HDR) video, up to 32 audio channels with ARC, and support for wide angle theatrical 21:9 aspect ratio support giving you the full 4K experience as it was meant to be. Longer lengths utilize state-of-the-art active chip technology to deliver a full 4K 18Gb signal with 4:4:4 Color Space signal.

Comprehensive's exclusive ProGrip® connector helps secure the connection with up to 16lbs of retention force to prevent cables from being unintentionally disconnected. Other exclusive features are Comprehensive's SureLength® cable length indicators that clearly indicate the length of each cable on the connector mold - huge time savers for installers who are constantly sorting out lengths preparing for jobs!

A re-enforced molded strain relief provides unsurpassed durability and Lifetime Warranty ensures endless years of worry-free use. Comprehensive's flexible matte jacket with UL/CL3 ratings makes this cable perfect for any commercial or residential installation as well as other demanding environments.
