Global Presence Alliance

Crestron was also honored to receive the GPA's prestigious 2016 Global Excellence Awards, which are awarded annually to the leading Audio, Video, and UC manufacturers and vendors who show the highest level of commitment to delivering a superior experience worldwide.

Global Presence Alliance (GPA) Board President Byron Tarry of Sharp's Audio Visual (Canada) notes, "Presentation of our Global Excellence Awards is an annual GPA tradition at InfoComm. Being the world's largest AV alliance, this gives us unparalleled insight into vendor capabilities on a global scale. All 24 of our Members provide their ratings on 30+ vendors across a range of criteria. Award recipients must display consistent excellence in all areas, while also exceeding in a category

that specifically recognizes their global delivery abilities." Tarry further commented, "Crestron has received this award every year since its inception in 2013, and continues to raise the bar in their ability to align with the GPA in its mandate to deliver Scale, Standards, and Simplicity to enterprise customers in support of their AV/UC needs worldwide."

GPA Vendor Relations Director Philip Holtum (ProAV, Australia) added, "Crestron is committed to supporting the GPA, actively working with us to deliver ever-increasing alignment with our 5,000 Member staff, and to building our unique value proposition to our corporate customers. This award recognizes their commitment to our shared vision of global excellence in AV."

About Crestron

At Crestron we build the technology that integrates technology. Our automation and control solutions for homes and buildings let people control entire environments with the push of a button, integrating systems such as AV, lighting, shading, security, BMS and HVAC to provide greater comfort, convenience and security. All of our products are designed and built to work together as a complete system, enabling you to monitor, manage and control everything from one platform.

Our products are backed by more than 90 fully-staffed offices that provide 24 x 7 x 365 sales, technical, and training support across the globe. In addition to its World Headquarters in Rockleigh, New Jersey, Crestron has sales and support offices throughout the U.S., Canada, Europe, Asia, Latin America, and Australia.
