Anchor Audio

Press Kit: infocomm.vporoom.com/AnchorAudio

Anchor Audio, Inc. is the leading manufacturer of portable sound systems, portable PA systems, speaker monitors, wired and wireless intercoms, and lecterns.

Established in 1975, Anchor Audio manufactured their first portable sound system in a small workshop in Torrance, California. Forty years later and in a much larger, state-of-the-art facility in Carlsbad, California, production includes more than 20 different models with sound solutions for every type of market – including education, commercial, hospitality, places of worship, government, and military.

The company guarantees the quality of its made in the USA products, offers quick delivery, and is renowned for its 40-year tradition of delivering excellent products covered by an industry-leading six-year warranty.
