Aurora Multimedia Corp.

Booth #C2146

Press Kit: infocomm.vporoom.com/AuroraMultimedia

Aurora's history of innovation, from the intro of the 1st non-proprietary, Web-standards-based IP control systems & touch panels, to today's HDBaseT™ and IPBaseT™ IP video distribution solutions – has made us a dominant force in the AV industry. Advanced AV processors with scaling, multi-image rotation, and dual/quad display processing only add to our highly adaptive, diversified product line.

Avnu Alliance

North Hall Meeting Room 234

Press Kit: infocomm.vporoom.com/AvnuAlliance

Avnu Alliance is a community creating an interoperable ecosystem of low-latency, time-synchronized, highly reliable networked devices using open standards. Avnu creates comprehensive certification programs to ensure interoperability of networked devices. The foundational technology enables deterministic synchronized networking based on IEEE Audio Video Bridging (AVB) / Time Sensitive Networking (TSN) base standards. The Alliance, in conjunction with other complementary standards bodies and alliances, provides a united network foundation for use in professional AV, automotive, industrial control and consumer segments.

Bogen Communications, Inc.

Booth #C1162

Press Kit: infocomm.vporoom.com/Bogen

For more than 85 years, Bogen Communications, Inc. has been a leading provider of commercial amplifiers, speakers, and intercom systems for music, paging, and educational applications.

Chief
