

## McCann Systems Welcomes New Talent to Support Growth and McCannX

NEW YORK, June 2, 2025 /PRNewswire/ -- [McCann Systems](#), a leading innovator in audiovisual integration, is excited to announce the addition of 11 talented professionals to its rapidly growing team. These strategic hires reflect McCann's commitment to delivering exceptional AV experiences for clients worldwide, as well as the company's readiness to make a powerful impact at InfoComm 2025 in Orlando next week.

At the forefront of this expansion is [Will Amos](#), who joins McCann as a Senior Account Executive. Will brings a proven track record of forging strong client relationships and delivering high-value AV solutions. His deep industry expertise will be instrumental as McCannX, McCann's [experiential AV](#) division, continues to scale and serve an expanding customer base.

Additionally, McCann's presence in Texas is growing. This new office includes AJ Flores, Senior Account Executive, and Pat Seymour, Field Applications Engineer, who will support McCann's growing client base in the Dallas-Fort Worth metro area.

Also joining McCann is a diverse group of talented professionals whose skills will enhance McCann's technical depth and operational excellence:

- Melissa Barnes, Project Manager
- Devante Bissette, Field Applications Engineer
- Richard Colon, Field Applications Engineer
- Isabella Fuscaldo, Marketing Intern
- Willie Hollingsworth Jr, Senior Project Manager
- Elliot Nyfield, Senior Systems Design Engineer
- Austin Rowan, Installation Technician
- Troy Wilkerson, Fabrication Technician

"I am personally thrilled to welcome these 11 talented individuals to the McCann team," said [Josh Bittner](#), SVP of Sales and Marketing. "As our company continues to grow through the trust our clients place in us, we continue to invest in our future by hiring young professionals and industry veterans to support our brand. Organic growth, which facilitates a strong culture and provides continuity for our clients, remains our strategic vision at McCann."
