

Sleek & Strong Speaker Stand

East Northport, New York -- This low-profile speaker stand has a flat cast-iron base that fits nicely into tight, compact spaces. The heavy steel base plate has a sleek and clean appearance, making it perfect for corporate events. It's extremely stable and strong and can support loudspeakers up to 44 pounds.

The spring-loaded bolt with locking screw provides for comfortable and safe height adjustments of up to 71.25". Includes an integrated handle, cable management system and four stable feet. The included wrench adjusts setup for individual specifications.

For over 65 years, König & Meyer has been the trusted choice for their superior quality, German engineered stands. Paired with a 5 Year warranty, it's easy to see why K&M is the choice of professionals and discerning musicians.
