

The MEGA team is getting ready for Infocomm 2017 and this year we are MEGA EXCITED!!!!

We will have three booths full of new products, please make plans to stop by and visit with us.

BOOTH 1231 Will have RGBlink that will be showcasing new products. Please join us for libations on the first day of the show.

BOOTH 4747 Our main booth, you will find our sales team and where we'll be showing a mix of our brands, including PR lighting. Make sure you make plans to join us on the second day of the show as we introduce the newest member of our brand line.

BOOTH 7367 Located in the lighting section of the show and where TAF will be showing some really cool new units; you have to come take a look at the impressive giant ground support truss system in the booth.
